

Physician Ownership

West Creek Endoscopy is a physician-owned facility. One or more of the physicians who may treat you at this facility have an ownership interest in West Creek Endoscopy.

You have the right to choose the provider and location for your health care services. You are free to select the facility of your choice for any procedures recommended by your physician. Choosing a facility other than West Creek Endoscopy will not affect your access to care or treatment by your physician.

We are providing this information to you in accordance with federal and state regulations so that you are fully informed about your health care choices.

If you have any questions regarding this ownership disclosure or would like additional information about other facilities where you may receive your care, please feel free to ask your physician or a member of our staff.
